

English 10 • OF MICE AND MEN • Vocabulary Part Two: Bookmark Creation

Instructions

IN PREPARATION FOR reading John Steinbeck's *Of Mice and Men*, create a decorative "vocab bookmark" for use throughout this unit. First, complete Vocabulary Part One: Definitions List. NOTE: this step is to make sure that you do not run out of room on the bookmark. After that, use the template at the bottom to create a bookmark, writing your name, period number, and *Of Mice and Men* at the top of the *righthand* column. Then, transfer only the **definitions** of the words and prefixes/suffixes you wrote down for Part One into the righthand column, and then add decoration of some sort. Be creative! Be colorful! Once you are finished, cut it out, fold it in half, and tape it. You will use the lefthand column to write down the names of major characters, their characteristics, and key themes you encounter as you read.
